

Lenovo ThinkVision L174

The ThinkVision L174 monitor is proof of Lenovo's commitment to be the industry leader for environmentally friendly and responsible products. The L174 is an EPEAT Gold rated monitor and is Lenovo's first low power monitor. The L174 uses up to 35% less power than its preceding model (L171), providing an even greater TCO position. This monitor is best suited for general business applications such as word processing, spreadsheets, data entry, and business graphics.

FEATURES & BENEFITS:

- EPEAT Gold rating for the industry's greenest monitor
- Low power consumption is up to 35% lower than previous model (L171) for greater TCO
- 17-inch (432.0 mm) viewable image size
- Native resolution of 1280x1024
- Adjustable tilt stand for viewing comfort
- Direct access for automatic image setup, brightness, and easy monitor setup
- Detachable stand for wall or arm mounting
- Available in business black
